What they Say!

"2 years ago we were a company of 1,300 employees, now we handle over 4,500 active employees and with a total 14,000 employees; Thanks to the decision we took some years ago to choose Easy Payroll as our human resources, payroll and billing platform we have been able to handle this extraordinary growth in a cost effective and efficient manner."

Elmer Garrastazú is the VP and CFO of Saint James Security Services Inc.

www.stjamessecurity.com

These guys make payroll very simple, we never knew all our payroll and human resources management was just a few clicks away; now we can focus our efforts to fulfill the client's needs.

Alex Rosado is the vice-president of 3A Press

What you Need!

Payroll Processing

Streamlined Administration
designed for Puerto Rico

- Affordable Administration without limits: Easy payroll was created with the idea that any business from small to complicated can have a full payroll solution .
- Accurate Processing: Automatically generates all government required documentation, including federal and state tax fillings; and calculates fringe benefits such as Christmas bonus, vacations and sick leave, fully customizable for your company mandatory decree.
- Automatic Reporting and Compliance: creates ACH, ASCII and other direct deposit files, as well as check payments.

Time & Attendance

Data Collection Devices
Biometric Clocks,
Interactive Voice Recognitions

- Different interfaces and time collection devices make it easier to adapt to your workplace environment.
- Automatically transfer punch to our payroll, human resources, scheduler and billing modules.
- Thoroughly configured to eliminate common problems such as buddy punching, control in-out time ranges, remote locations, and many more.

Scheduling

Electronic Time Sheets,
Improve efficiency and
productivity of your workforce

- Organize your workforce: to better invest your valuable time with our scheduler application, that lets you organize for the future and at the same time reconcile your payroll.
- Easy to use: while adding shifts you can choose by: Employee Number, Job, Phase, Cost Code, City, First Name, Last Name and others.
- Anticipate and control: employee overtime, substitute employees, together with our well-thought reports that let you make informed decisions about the better use of your workforce time.

Human Resources

Management,
Measure your Workforce Performance

- Gain control of your employee confidential record, and automate any repetitive task.
- Easy to read reports provide the decision maker with all the information you need through our complete reports to better organize and direct your workforce.
- Automatically integrate, relate and organize all available data on the employee history regarding compensation, attendance, payroll, performance reviews and many more.

Contract Billing

For Service Companies,
organize and streamline your
billing process .

- Automatic Payroll and Billing Reconciliation: Converts all time cards into invoices and keeps track of your billing by relating them to your payroll.
- Automatic invoicing per client: Allows your company to create different billing rates and different pay rates based on your scheduling activities.
- Automatic Administration: Automatically connects with the Payroll, Human Resources and Schedule modules for a streamlined administration.
